Hi Jeff,

My apologies for not getting back to you. We're in the midst of moving and have been playing catch up on e-mails.

Metro informed me last week that the funds that were set aside for the last 2 islands have been de-obligated, contrary to what I was told several months ago. I am looking at alternative funding sources to complete this project and have a couple of leads, including some cost savings we incurred with the first 4 islands as we ended up with more deducts than adds. I will get back to you next week with my findings.

Aram, let me know when we can chat to see about making another appeal to Metro.

Thanks

Carlos

Subject: Fwd: Adopt-A-Median

Hello Jeff,

I am working on the final details of the Vermont Avenue Project. I need the East Hollywood BID to fill out and sign the Maintenance Agreement that is located on the link below under the category of Adopt-A-Median. This way we can get your contact Sharyn Romano with the LA Beautification Team to help us with the maintenance of these median islands. I appreciate your time and effort in helping us get this Maintenance Agreement to Mr Gerry Valido at the Office of Community Beautification. I would also like to request that you send me a copy of the Maintenance Agreement for our documentation. If you have any questions or concerns, please do not hesitate to call me.

Thank you and have a great day.
